Dear Mr. Gokeri:

The Center for Talented Youth Career Symposium held at The University of Puget Sound in Tacoma, WA on Saturday, March 20, 2004 was a success! I would like to take the time to give proper thanks to you for your assistance with our program. According to the evaluations, your talk was well received and appreciated by all who attended. Thank you for helping us to provide them with such an exciting and informative day and one which might very well make a tremendous difference in their lives.

It is wonderful to find professionals and academics such as yourself so willing to participate in educational activities involving young people. We hope that you enjoyed the experience as well. We were indeed fortunate to have you with us and hope you will join us again at future CTY events in the Tacoma, WA area.

Again, thank you very much for sharing your enthusiasm and expertise with these young students and their families. You are a terrific speaker!

Sincerely,

Julie Mazcko
